

READER BOARD.

Our Readerboard is a large form factor, high-definition outdoor display that is positioned to demand the attention of potential customers as they pass by. Personalized messaging, upcoming local events and real time emergency information can easily be displayed. Take advantage of the space by using local advertising as an added source of revenue.

- Available screen sizes 75"-98"
- Multiple mounting configurations
- IP56 rated
- High Bright Display
- 4K Resolution
- Self-Dimming
